With reference to para 2 of Government Memorandum
No. 4843 D1/50-2 Development dated 27th February, 1950 I have
to state that the wages earned by the labourers and the conditions
of labour remain such that they cannot afford to pay more than
Rs. 2/8/- per mensem. The total income of each labourer working
in the Government silk Filatures ranges between Rs. 22/- and
29/8/- per mensem only and it is only because of the concessional
rate of rent that all the tenements of the labour colony at the
Government silk Filatures continue to be occupied by the labourers.
In the above circumstances, I request that Government may be
pleased to sanction ~~the continuance of~~ the concessional rate of
rent for the tenements of the labour colony at the Government
silk Filatures Kollegal as a permanent measure.
